Financial Assistance

Describe payment plan options if applicable

Eta Theta offers two main different ways of paying one's dues. The first option is to pay the full term in one installment, being due on September 15th. The second option is to pay the term in three installments; which would be due on September 15th, November 15th, and December 15th. If a member knows that they will need extended time or will have trouble paying their dues off, we offer promissory notes. This can create a unique payment plan for that member, to lessen the trouble of fitting a strict time to pay off dues.
